LOCAL PRIORITY

Our priority will remain to tackle Anti-Social Behaviour (ASB) in Town East area. That involves monitoring ASB reports and dealing with them and those involved and patrolling the areas where ASB occurs.

WHAT'S BEEN HAPPENING

We have been aiming to prevent ASB incidents to happen by patrolling the areas with high footfalls and hot spots and identifying those involved. Working closely with our partner agencies like Boston Borough Council. we've issued Acceptable Behaviour Agreements and curfews have been put in place for some individuals as a result of their involvement in ASB, while some got a warning letter.

We also have dealt with a number of youths for cycling on footpaths, carrying another person on

handlebars and cycling without any lights after dark appropriately.

Together with LHP we arranged fraud awareness sessions within sheltered accommodations. We also conducted walkabouts with LHP officers in east areas.

We exercised our traffic powers carrying on Fatal 4 and insurance checks – Town East team during November: as a result, 5 vehicles have been seized for insurance offences, one driver summoned for driving licence offences, 1 reported for seatbelt offences involving a child, 2 drivers dealt with for driving without due care and attention, 3 reported for using mobile phone while driving. four electric scooter users stopped and dealt with.

Two neighbourhood issues resolved and reassurance visits carried out for suspicious circumstances reports in east area on 2 different occasions on top of routine patrols.

We have been attending Witham way country park and Park runs there. We also organise an Engagement in Boston Library once a month.

If you run a community group and would like us to visit, please let us know. We are friendly and would love to speak to you.

Last but not least – HAVE A GREAT CHRISTMAS

from Town East NPT.
